Dear Darren,

**RE: DEMOLITION/REMOVAL OF 2 SITE OFFICES - SECRET HARBOUR**

Thank you once again for your tender for the above work.

All work has been successfully completed and remedial works undertaken to both sites to a high standard.

Your involvement with this work was a pleasure and exactly the outcome sought from the tender – handing all responsibility for the removal and restoration without any further need for Secret Harbour (my) involvement.

Please find enclosed your bond returned in full, and accept my apologies for the delay in its return.

As discussed, should I or any of the project managers at Satterley Property Group require site office removal / relocation, your firm will be contacted immediately.

Yours truly,

**ADAM GOWLETT  
PROJECT MANAGER  
SECRET HARBOUR**
